Handbook

This Handbook is available on our website:

www.FloridaSafety.org

Florida Safety Council a division of the United Safety Council A Non-Profit 501(c)3 Organization

Why is this important?

There are two <u>unique</u> benefits to those who obtain training through the Florida Safety Council that no other provider offers.

- The work of the Florida Safety Council is funded through tuition fees, corporate membership fees, contributions and grants. There are no owners making a profit from the services we provide. There are no investors receiving a return on their investment, and no stockholders receiving dividends. Profit is not a motive in our pricing. All proceeds are used in the costs of the services our students receive.
- Our non-profit organization fulfills a mission deemed by the IRS to be worthy of this special status. We are governed by a volunteer board of directors comprised of business and civic leaders. The board monitors our budget, and to make sure our legal and ethical integrity.

Our Mission

Our mission is to reduce preventable injuries and save lives through highly effective safety and health education, professional testing and monitoring. We promote safety in every phase of life: in the home, on the road, in schools, businesses, industrial facilities and government. The United Safety Council represents people and businesses working together to prevent mishaps, injuries and fatalities and the costs associated with them.

Our students join with us and our members in fostering a culture of safety, empowering everyone to live and work safely.

It is a great privilege serving our community in this way. Thank you for trusting us for effective training.

The Florida Safety Council (FSC) is a non-profit 501(c)(3) organization headquartered in Orlando, and governed by a Board of Directors comprised of prominent business and civic leaders who volunteer their time to create a safer community. A variety of Advisory Committees are utilized to provide guidance.

As a private not-for-profit and non-governmental organization, *FSC* is funded primarily through student tuition and corporate memberships.

FSC was established in 1953 with the mission to promote traffic safety throughout Central Florida. Since that time, over three million individuals have received safety and health related training enabling them to enhance the quality of life in the home, workplace, schools, and on our roadways. Today, FSC training centers are expanding beyond Central Florida by providing curriculums for safety training agencies throughout the nation. In addition, thanks to evolving technology, FSC has over 100 traffic and occupational safety related courses available on the Internet for those seeking a safer environment throughout the world. We now have students completing safety training courses from all over the United States and from places as far away as South America, Europe, the Middle East, Africa and Asia through our international parent non-profit organization, the United Safety Council (USC).

The Florida Safety Council provides safety and health training in the following areas:

Driver Improvement Programs: Promoting traffic safety is the cornerstone of the *FSC's* education and training initiatives. Driver Improvement Programs are designed to encourage safe and courteous driving habits by enhancing defensive driving abilities and awareness.

FSC also offers a variety of driver improvement programs for individuals, commercial drivers, truck drivers, mature drivers and motorcycle operators. One-on-one driving lessons and high school driver education programs are provided as well. Additionally, FSC provides the *Traffic Law and Substance Abuse Education* (TLSAE) course required for all 1st time drivers in Florida.

DUI and Alcohol Related Programs: FSC's DUI Programs are aimed at changing the behavior of offenders; thereby reducing the risk of future DUI related arrests, injuries, and deaths. State certified evaluators and instructors are responsible for helping each client understand the issues and factors related to risk reduction. FSC's DUI Programs are licensed by the *Department of Highway Safety & Motor Vehicles* (DHSMV) to provide services in Brevard, Orange, Osceola, and Seminole Counties. FSC also works closely with the Courts on *Ignition Interlock Device* and *Secure Continuous Remote Alcohol Monitor* orders.

Workplace Safety Training: The Council offers a wide variety of safety courses and seminars designed to meet OSHA standards in the workplace. These interactive courses and seminars offer opportunities for participants to share ideas, problems and solutions. In addition to training courses and seminars, *FSC* also sponsors free safety and educational forums for the community. The Council is an approved OSHA Training Institute Host Site. *FSC* is also an approved provider for the nationally recognized *Certified Occupational Safety Specialist* (COSS) program.

Youth Related Programs: Recognizing the community need for courses to address the driving behaviors and behavior management issues facing our youth; *FSC* created programs targeting drivers and passengers under the age of 25: teens with anger management issues; and those with impulsive behaviors such as shoplifting, bullying, criminal mischief, and destruction of property.

Public Education & Awareness: Within the community, *FSC* promotes safety and mishap prevention through its speaker's bureau, literature, and multi-media public awareness campaigns. The Safety Council is also an approved Continuing Education (CEU) provider for DUI certified staff, Licensed Mental Health Counselors, Licensed Clinical Social Workers, Licensed Marriage and Family Therapists, and for the Statewide Public Guardianship Office.

Our staff stands ready to assist you with answers to any questions or additional information on any of our courses. For further information or to observe a class, please contact one of the department heads listed below.

BEHAVIOR MANAGEMENT PROGRAMS

- The Florida Safety Council's Behavior Management Department provides courses promoting healthy living.
- Courses may be Court ordered, in order to reduce repeat appearances on the same or more serious charges.
- Courses are presented by professional, certified instructors who meet all State of Florida requirements.
- Certificates of completion are presented to students upon successful completion of each course, for court's order or probation officer verification.

ADULT ANGER MANAGEMENT

(8-hour)
[Juvenile Class Description on Page 6]

PURPOSE

- This course is designed to help offenders examine their behaviors, attitudes, and actions.
- This program is offered to both male and female offenders.

COURT ORDERED

This eight (8) hour program is not to be used as a substitute for a 26-week *Batterer's Intervention Program* for domestic violence cases.

This course may also be taken voluntarily.

GOAL To reduce the reoccurrence of acts of aggression by examining trained patterns of control.

COURSE CONTENT

- Cause, effect and consequences of failure to manage anger.
- Recognizing, identifying and understanding behaviors that contribute to anger.
- Impulse control and alternative behaviors.
- Utilizing anger management methods and techniques, planned responses and assertive communication skills in managing anger.
- Finding alternative behavioral choices through discussion and role-play.
- Stress management and problem-solving techniques to influence positive decision-making and functioning.
- Identifying pathways that intensify anger and pathways of resolving conflict.
- Identifying and defining positive behaviors and attitudes to promote productivity.

COURSE FORMAT

- One-day, eight (8) hour course.
- Small class size to maximize student participation and personalized attention.
- Uses exercises and thought provoking questions with intense self-examination to explore human behavior, and consequences of negative behaviors and actions.
- Students learn their new roles in personal relationships with others.
- Workbooks included.

REGISTRATION

Students are asked to provide a copy of the court order, unless they are taking the course voluntarily. Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.

JUVENILE ANGER MANAGEMENT

(4-hour)

[Adult Class Description on Page 5]

PURPOSE

- Designed to help offenders, age 13 to 17, and examine their behavior, attitude and actions.
- Helps to instill discipline in the individual offender by presenting behavioral alternatives to anger and anger control techniques.
- Serves as an alternative, which can be used by Judges of the Court, in lieu of jail and/or prison time.
- Aids Juvenile Probation by serving as a probationary sanction or diversion program.

COURT ORDERED

This course may also be taken voluntarily, or with parental referral.

GOAL The goal of the program is to decrease recidivism of first time offenders as well as educate, equip, and inform offenders of alternative ways of coping with anger and of expressing anger in an appropriate manner.

COURSE CONTENT

- Define and recognize anger.
- Psychological, emotional, and biological response to anger.
- Assess personal anger triggers and understand behaviors that contribute to anger.
- Control anger and develop alternative behaviors.
- Develop anger management methods and techniques, planned responses and assertive communication skills in managing anger.
- Utilize the six-step, problem-solving technique to influence positive decision-making, attitude, and function.
- Analyze students thinking and discuss bullying.

COURSE FORMAT

- Four (4) hour course.
- Small class size to maximize student participation and personalized attention.
- Uses workshops that focus on specific, anger-related topics such as recognizing anger, controlling anger, problem solving and bullying.
- Anger control log.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.

ADULT IMPULSE CONTROL / SHOPLIFTING

(8-hour)

[Juvenile Class Description on Page 8]

PURPOSE This course is designed to help offenders examine their behavior, attitude, and actions, and assist in modifying negative behaviors that lead to theft. Additionally, students will learn how to identify the necessary steps which would allow them to curb compulsive behaviors and make a positive change in their lives.

COURT ORDERED

This course is <u>not</u> for juvenile offenders (under age 18).

GOAL To reduce the reoccurrence of theft and its impact on the individual, the family, the business

and community.

COURSE CONTENT

- Cause, effect and consequences of committing theft.
- Impulse control and alternative behavior.
- Taking control and being responsible for one's own attitudes and behaviors.
- Identifying and distinguishing between wants and needs.
- Goal setting and establishing priorities.
- Defining and clarifying personal values.
- Stress management, self-motivation and trust building exercises.
- Identifying and defining positive behavior and attitude for a crime-free life.

COURSE FORMAT

- Eight-hour (8) course.
- Uses integrity therapy and behavior modification to explore conduct and the consequences of negative decisions and actions.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.FloridaSafety.org.

JUVENILE IMPULSE CONTROL / SHOPLIFTING

(4-hour)

[Adult Class Description on Page 7]

PURPOSE

This course is designed to help offenders, age 13-17, and examine their behavior, attitude and actions. Open to juveniles from other referral sources in the community. Students will learn how to identify the steps necessary to make a positive change in their lives.

COURT ORDERED

Business referrals, youth agency referrals, and parental referrals are also encouraged.

GOAL

To reduce the reoccurrence of theft and its impact on the individual, the family, the business and community.

COURSE CONTENT

- Cause, effect and consequences of committing theft.
- Impulse control and alternative behavior.
- Taking control and being accountable and responsible for one's own attitudes and behaviors.
- Identifying and distinguishing between wants and needs.
- Setting effective goals and establishing priorities.
- Defining and clarifying personal values.
- Assertiveness, self-motivation and trust building exercises.
- Identifying and defining positive behavior and attitude for a crime-free life.
- Identifying positive role models and friends.
- Discuss peer pressure and utilize methods and techniques in resisting peer pressure.

COURSE FORMAT

- Four (4) hour course.
- Uses integrity therapy and behavior modification to explore conduct and the consequences of negative decisions and actions.
- Small class size to encourage individual participation.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.FloridaSafety.org.

DRUG ABUSE MONITORING - THE SWEAT PATCH -

PURPOSE

- To provide the Courts, probation, attorneys, diversion programs and other criminal justice professionals with a tool to deter, detect, and receive confirmed drug use via transdermal patch technology. The patch detects Cocaine, Benzodiazepines, Opiates, Heroine, Morphine, Amphetamines, Methamphetamines, THC, PCP and the metabolites from these drugs.
- Provides a monitoring option for Employee Assistance Programs (EAP) where drug usage has been an issue with an employee's performance or the company's standards of safety.
- Effective monitoring tool for treatment agencies working with individuals involved in treatment voluntarily or involuntarily.
- Option during child custody cases where drug usage is alleged.

MAY BE COURT ORDERED

GOALS

- Increase public safety and victim safety by monitoring a person's drug usage behavior.
- Creates accountability among individuals for their drug induced behavior.
- Promotes behavior change.
- Reduces jail and prison populations by providing cost effective supervision alternatives.
- Provides the individual the opportunity to continue to be a productive citizen and support their family while they are being monitored.

HOW DOES IT WORK

- The collector pad is applied to the skin and held in place by a strong adhesive film.
- If the person uses drugs while wearing the patch the drug and/or metabolite will be excreted in the sweat and absorbed in the collector pad.
- Each pad is sent to a certified laboratory for testing.

PARTICIPATION

 Participation in the Drug Abuse Sweat Patch Program may be voluntary, court ordered, a condition of probation or pre-trial diversion. Individuals with certain skin conditions may not be eligible.

STATUS REPORT

Once the collector pad is analyzed by the laboratory, if any drugs are detected, it will be reflected
in the report.

REGISTRATION

To register call the Florida Safety Council at 407-897-4454 or after hours at 407-897-0014.

The Drug Abuse Sweat Patch is offered in Orange, Osceola, Seminole and Brevard Counties.

SUBSTANCE ABUSE EDUCATION

<u>Marijuana Awareness Program</u> (MAP)

PURPOSE

The provide city municipalities that have decriminalized some possession of cannabis infractions and courts with education interventions for applicable offenders. The course will educate qualifying individuals with greater awareness of facts and current trends in marijuana usage.

Qualifying Individuals may be referred by city municipalities, the courts, or voluntarily enroll. The course is for adults only; combining minors and adults in this course is not advisable.

GOALS

- Educate participants of the health risks associated with marijuana usage.
- Expose participants to factual information about the societal costs of marijuana usage.
- Assist participants in assessing their own usage and determine if seeking assistance from other community supports is the best decision they can make.
- Educate them regarding the risks of future charges.
- Assist clients in understanding how marijuana usage can lead to changing to another addictive substance, and possibly lead to more serious drug infractions, charges, addiction, and/or death.
- Explore healthy alternatives to marijuana usage.

REGISTRATION

- Registration available in the Orlando office only.
- The client is responsible for accurately reporting to FSC which entity has referred him/her to FSC. If court ordered and ordered for civil citations, FSC will secure releases of information to report completion or failure to do so to the referring agency.

PAYMENT

• If FSC has a contract with the referring agency for the course, then FSC will bill that entity directly. If FSC does not have a contract with the referring agency, the client is responsible for full payment at enrollment.

COURSE FORMAT

- The class is offered in one 8-hour session with a lunch break or two 4-hour segments on different days.
- Absences are only excused with proper documentation as defined for "good cause." A person with an excused absence must complete the entire course but rescheduling fees will be waived.

CLASS AVAILABILITY: As scheduled based on need and fiscal responsibility.

REQUIREMENTS: Photo ID (preferably issued by government entity), copy of court or civil orders, willingness to sign release of information to referring entity.

SECURE CONTINUOUS REMOTE ALCOHOL MONITOR (SCRAM)

PURPOSE

To provide the Courts, probation, attorneys, diversion programs and other criminal justice professionals with a tool to deter, detect, and receive confirmed documentation of alcohol use via transdermal technology 24 hours a day, 7 days a week. Effective monitoring tool for treatment agencies working with individuals involved in treatment voluntarily or involuntarily.

Option during custody visitation where alcohol was cited as an issue/risk.

MAY BE COURT ORDERED

GOALS

- Increase public safety and individual's safety by closely monitoring a person's drinking behavior.
- Create accountability among individuals for their drinking behavior.
- Promote behavior change.
- Reduce jail and prison populations by providing cost effective supervision alternatives.
- Provide an individual the opportunity to continue to be a productive citizen and support their family while still being monitored.

HOW DOES IT WORK

- The SCRAM device is a "bracelet" snuggly locked onto the ankle and worn 24 hours a day.
- The device measures and reports on <u>any</u> alcohol consumption as well as <u>any</u> tampering, obstruction or removal attempt.
- Optional base station allows for daily uploads of data from home.

PARTICIPATION

- Participating in SCRAM may be voluntary, court ordered, a condition of probation or pre-trial diversion.
- Individuals with certain medical conditions such as pregnancy, diabetes, or skin disorders may not be eligible.

STATUS REPORTS

• The referring source will be provided status reports on any tampering or removal attempts of the bracelet as well as confirmed drinking events.

REGISTRATION

To register call the *Florida Safety Council* at 407-897-4454, or 407-879-0014 after hours. SCRAM is offered in Orange, Osceola, Brevard and Seminole Counties.

The SCRAM is offered in partnership with Alcohol Monitoring Systems, Inc. (AMS)

JOLT

<u>Juvenile Offender Life Training</u> (4-hour)

PURPOSE

This course is designed as an early intervention and diversion program for youthful offenders. It will assist offenders in examining their behavior, attitude and actions by instilling discipline and offering behavioral alternatives. The Juvenile Offender Life Training Course serves as an alternative, which can be used by the Judges of the Court in lieu of jail and/or prison time, and aid Juvenile Probation by serving as a probationary sanction or diversion program. MAY ALSO BE TAKEN VOLUNTARILY

GOAL

- The goal of this program is to decrease the recidivism rate of first time offenders as well as to educate, equip, and inform offenders of alternative ways of coping with negative behavior.
- Reduce incidents of underage possession of alcohol and tobacco, as well as possession of drugs.
- Provide alternative behaviors to be used in place of anger, the utilization of anger control techniques, and to express anger in an appropriate manner.
- Curtail negative behavior as it relates to vandalism and destruction of property.
- Motivate students to achieve lifetime awards for positive behavior.

COURSE CONTENT

- Identify how media pressure and peer pressure influence decisions.
- Define binge drinking and the risks associated with it.
- Effects of alcohol usage/drugs on the body; laws regarding drinking, possession of alcohol/tobacco by a minor. (Zero Tolerance Law, chapter 893, DUI Laws)
- Define and recognize anger; discuss the psychological, emotional and biological response to anger.
- Control anger and the development of alternative behaviors.
- The development of anger management methods and techniques, planned responses and assertive communication skills in managing anger.
- Utilization of the six-step problem-solving technique to influence positive decision-making, attitude, and function.
- Effects and consequences of domestic violence arising from anger.
- Discussion of bullying and cyber bullying.
- Choices and consequences of negative behavior.
- Setting priorities and goals.
- Consequences of the act of vandalism, destruction of property, and other forms of criminal mischief.

COURSE FORMAT

- Four (4) hour course.
- Small class size to maximize student participation and personalized attention.
- Interactive format including videos, class participation, group activities, and workbook exercises.
- Anger control logging.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.

VICTIM AWARENESS PROGRAM

(VAP 2-hour)

PURPOSE

To assist DUI, habitual traffic, and other offenders in changing their driving behavior patterns. VAP is designed to modify driver behavior through educating and introducing the driver to the realities of how irresponsible driving impacts the community, victims and their families, and the driver's family.

<u>COURT ORDERED</u> for DUI, Reckless Drivers (with or without substance involvement), Habitual Traffic Offenders, and others. This course may be taken voluntarily.

GOALS

- Provide an additional educational program for DUI, habitual and other traffic offenders in the county court system.
- Offer DUI, habitual traffic, and other offenders' new approaches to change driving behavior patterns to reduce the impact that collisions, injuries, and deaths have on others.

COURSE CONTENT

- Utilizes <u>real life situations</u> of a Victim Speaker Panel to expose students to the consequences of their driving behavior upon the community.
- Provide students with statistical profiles (including national, state, and local data) of the results of their driving behavior upon the community, i.e. costs, accidents, injuries and deaths.
- Through lecture and interactive educational techniques to assist students in identifying improper behavior patterns.
- Provide new methods of behavior awareness to encourage positive driving behavior.
- Approved by the State Attorney's Office (9th Judicial Circuit) for DUI Pre-Trial Diversion and Veteran's Court Diversion requirements.

COURSE FORMAT

A two (2) hour program consisting of the following components that are used to influence and change driving behavior patterns:

- Education the statistical, financial and emotional impact their driving has on the community.
- Audio Visual Media newspaper articles/current events and video.
- Victim Impact Panel consisting of individual(s) who have suffered permanent injury or lost a loved one as a result of DUI and other offense.
- Facilitator Discussion facilitator involves students in discussion of the information being presented and deals directly with irresponsible driving behavior and its effects on the community.

REGISTRATION

Enroll by contacting any of our locations or register online at www.floridasafety.org

VITAL LIVING SKILLS (VLS)

Life Skills 30+ hours

A program offered within the Correctional Systems

PURPOSE A personal development, self improvement course that teaches the participant a variety of life skills, philosophies, and techniques.

The curriculum covers attitude change, negative influences and thinking, relationship building communication, financial stability and job acquirement skills.

GOAL

- Reduce recidivism on similar or more serious charges, through teaching participants how their environment and life's influences affect who they are today and who they can become.
- Provides many self-evaluation exercises that help them organize their lives and get on the right track.
- Builds self esteem and self confidence.
- Participants create a bond with other students and have the opportunity to express their feelings in a peer group setting.

(Juvenile Vital Living Skills is also available) Minimum of 30 hours.

COURSE CONTENT

- Involves attitude change, and identifying negative influences/thinking.
- Developing good habits, self-motivation and self-conditioning processes.
- Self-evaluation exercises that assist the individual in organizing and stabilizing their lives.
- Problem solving, dealing with emotions, and handling emotional blocks.
- Creating healthy family relationships, practicing and maintaining nourishing relationships, and establishing inter-family understanding and communications.
- Establishing financial stability.
- Acquiring and maintaining a job.
- Learning how to communicate effectively.
- Understanding the consequences of involvement in substance abuse. Discussing, defining and explaining the physical and psychological dependence and effects.

REFERRAL SOURCE

- By Court Order.
- Probation Officer with Vital Living Skills Project Referral Form.
- Sheriff's Office for individuals who are incarcerated.

PARTICIPATION

- Attendance is mandatory. Active participation is required.
- Class size: 10-18 students.
- The orientation session will cover the project's goals/rules.

<u>VITAL LIVING SKILLS (VLS) – (CONT'D)</u>

Life Skills 30+ hours
A program offered within the Correctional Systems

STATUS REPORTS

- Enrollment, Attendance, Conduct, with additional reports to Probation as requested.
- Upon successful completion, a graduation certificate is issued.

REGISTRATION

Probation Officers may call (407) 896-1894 for more information.

DRIVER IMPROVEMENT COURSES

- Courses meet or exceed the State of Florida certification requirements.
- Courses may be Court ordered, if the Court believes that education may reduce repeat appearances on the same or more serious charges.
- Courses are presented by professional, certified trainers who meet all State of Florida requirements.
- Certificates of completion are presented to students upon successful completion of each course.
- Reports are submitted to the Department of Highway Safety & Motor Vehicles and/or the Courts on all students successfully completing the following courses, as required.

3 in 3 Driver Change Course

(3 Crashes in 3 Years)

PURPOSE For individuals of any age who have been convicted or plead nolo contender to a third traffic offense that caused a crash within a 36 month period.

MAY BE COURT ORDERED

GOAL

To assess and correct problematic driving habits and poor driving skills that lead to crashes. An emphasis is placed upon defensive driving techniques, proper decision-making and risk management skills.

COURSE CONTENT

- A twelve (12) hour Advanced Driver Improvement Course.
- Four (4) hours of Behind The Wheel assessment and training.

COURSE FORMAT

- Advanced Driver Improvement Course is divided into multiple sessions and also may be completed
- Behind the Wheel assessment and instruction is conducted on a one on one, individual basis and is divided into two sessions.

COURSE AVAILABILITY

This course is available in locations throughout Brevard, Orange, Osceola and Seminole Counties.

CLASS AVAILABILITY

- Classes are scheduled on a regular basis.
- Classes conveniently located at all office locations.
- The ADI class is also available on the **INTERNET**. A series of established questions and answers is used to verify student identity during the minimum of 12 hours online.
- Available on the Internet at: www.onlineADI.com.

REGISTRATION

Enrollment is conducted via telephone or in person in our Orlando Headquarters location. The student must have a valid Florida Driver license or a letter of suspension from the DHSMV, which will serve as a temporary license for training.

ADI (12-hour)

<u>A</u>dvanced <u>D</u>river <u>I</u>mprovement Available "Live" (if Court Preferred) and on the Internet State of Florida Approved

PURPOSE Designed for offenders with multiple traffic citations, and other high-risk drivers who have had their licenses suspended or revoked. Course reviews and changes the driving behaviors that have caused them to receive traffic tickets and become involved in traffic crashes.

COURT ORDERED or required by the *Department of Highway Safety and Motor Vehicles* for suspended or revoked drivers license renewals.

May also be required under Habitual Traffic Offender or Points guidelines of the *Department of Highway Safety and Motor Vehicles*.

GOAL Examination of the relationship between past driving behaviors, holding a driver's license, and driving responsibly.

COURSE CONTENT

- Understand the basic common needs to all individuals.
- Define the needs fulfilled by having a driver's license.
- Accept responsibility for offender's own actions.
- Establish importance of self-control.
- Identify the cause(s) of violations and poor driving records.
- Identify the advantages of maintaining a good driving record.
- Establish and maintain "safe driving" behaviors and attitudes.

COURSE FORMAT

- Twelve (12) hour course divided into multiple sessions.
- Maximum of 20 participants per class in a highly interactive format.
- Group sessions conducted by a certified trainer.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

- Classes are scheduled on a regular basis.
- Classes conveniently located at all office locations.
- The ADI class is also available on the **INTERNET**. A series of established questions and answers is used to verify student identity during the minimum of 12 hours online.
- Available on the Internet at: www.onlineADI.com.

REGISTRATION

Enroll by contacting any of our locations or visit our website at www.floridasafety.org

AGGRESSIVE DRIVING

(8-Hour)

PURPOSE

Designed for drivers with multiple traffic offenses and to help drivers who exhibit signs of **Aggressive Driving**, **Road Rage**, or **Street Racing** behaviors. Review and change the driving behaviors that have caused offenders to receive traffic tickets and/or become involved in traffic crashes.

COURT ORDERED

GOAL

Instruct students on the value of responsible driving. Identify that the cause of most traffic tickets and crashes is not ignorance of traffic laws, but a chosen behavior.

COURSE CONTENT

- Addresses negative ramifications of aggressive driving.
- Addresses negative ramifications of street racing.
- Understand the basic needs common to all people.
- Define the needs fulfilled by having a driver's license.
- Accept responsibility for offender's own actions.
- Establish importance of self-control.
- Identify the cause(s) of violations and poor driving records.
- Identify the advantages of maintaining a good driving record.
- Establish and maintain "safe driving" behaviors and attitudes.
- Become familiar with the signs of aggressive driving.
- Gain insight on how to avoid an aggressive driver.

COURSE FORMAT

- Eight (8) hour course divided into two four-hour sessions.
- Maximum of 20 participants per class in a highly interactive format.
- Group sessions conducted by a certified trainer.
- Homework assignments required for successful completion.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

Scheduled on a regular basis.

REGISTRATION

Students are asked to provide a copy of the court order or citation in order to make sure the correct information is being listed and the proper agencies are notified of attendance.

Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.

Developed with input from local Judges on the dangerous behaviors seen in traffic court.

BDI-4 BASIC DRIVER IMPROVEMENT (4-Hour)

Also Available on the Internet
State of Florida Approved for Point Reduction

PURPOSE

- Point Reduction "TRAFFIC SCHOOL"
- Approved by the State of Florida for Point Reduction (Exception: CDL)
- Required for running a red light, passing a stopped school bus, racing on a highway, spectator of racing on a highway, or reckless driving. MAY BE COURT ORDERED.
- Offers drivers an option to have adjudication withheld, keep points off drivers license, maintain "safe driver" status, and hold insurance premium costs down.
- Violator can attend once a year, up to 5 times in a lifetime.
- Volunteer attendance to improve defensive driving skills, and/or for a possible insurance rate discount.

GOAL To teach defensive driving techniques, behaviors, and attitudes to individuals who have received a traffic ticket, or who voluntarily take the course to improve their defensive driving knowledge and skills.

COURSE CONTENT

- Driver and Traffic Knowledge.
- Driving Risk Control.
- Vehicle Control and Procedures.
- Driver and Traffic Exposure.
- Traffic Perceptual Skills, including Distracted Driving.
- Driving Environment.
- Speeding.
- New Vehicle & Highway Safety Engineering Technology.
- New Laws.

COURSE FORMAT

- Four (4) hour class conducted by a trainer.
- An interactive format including lecture, videos, and student class discussion.
- Classes are available in English and Spanish.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

- Classes are available on a regular basis.
- Students are able to enroll and attend class the same day.
- Class locations are conveniently located throughout all counties in our service area.
- Also available on the Internet at www.FSCticketcourse.com

REGISTRATION

Students are asked to provide a copy of the Court order, DHSMV referral form/letter, or citation in order to make sure the correct information is being listed and the proper agencies are notified of attendance. Enroll by contacting any of our locations or registering online at www.floridasafety.org.

BDI-8 BASIC DRIVER IMPROVEMENT (8-Hour)

Also Available on the Internet

PURPOSE

- For individuals with a history of traffic violations, poor driving skills, or as required by their employer.
- This course is an alternative for those who have already taken BDI-4 the maximum number of times allowed (once a year, up to five times in a lifetime) or for more serious traffic offenses.

COURT ORDERED

GOAL To teach defensive driving techniques, behaviors and attitudes to individuals who have been court ordered or voluntarily take the course to improve their defensive driving knowledge, attitude and behavior.

COURSE CONTENT

- Defensive driving techniques.
- Physical and mental conditions of drivers, including Distracted Driving.
- Occupant safety.
- Effects of drugs and alcohol on the driver.
- Review of Florida DUI law.
- Driving conditions and environment, following distances, etc.
- Hazards of urban, rural, and highway driving.
- Driving Skills Analysis pre/post test.

COURSE FORMAT

- Eight (8) hour class conducted by a certified trainer.
- An interactive format including lecture, videos, and student interaction.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

- Classes are offered regularly at different locations throughout Orange, Osceola, and Seminole Counties.
- The 8 hour Class is also available on the **INTERNET**. A series of established questions and answers are used to verify student identity during the session.
- Online course available at www.trafficclassonline.com.

REGISTRATION

- Students are asked to provide a copy of the court order or citation in order to make sure the correct information is being listed and the proper agencies are notified of attendance.
- Enroll by contacting any of our locations or by visiting our website at www.floridasafety.org.

DPAS Driver Performance Analysis System

Also available on the Internet

PURPOSE

To evaluate the driving abilities of potential new drivers as well as current drivers.

GOAL

To help companies reduce vehicle crashes, insurance costs, control liability exposure, determine training needs and identify driver improvement needs.

PROGRAM CONTENT

- DPAS generates statistical profiles of an individual's strengths and weaknesses as a driver.
- DPAS measures the overall crash probability per 100,000 miles. It further measures the crash probability per 100,000 miles in four areas: Traffic Knowledge, Perceptual Skills, Traffic Risk and Traffic Procedures.

PROGRAM FORMAT

DPAS is a two-phase program:

- Phase One is a 40 minute video presentation of 100 traffic scenes. After a scene is shown a narrator makes a comment and the driver marks his answer to "agree" or "disagree" on the response form.
- Phase Two is a computer analysis of the driver's answers. Once entered into the computer, the driver's statistical driver profile is generated.
- All four areas are scored showing the individual score as well as the crash probability for each category.

An overall average score is generated along with an overall Crash Probability Score.

PROGRAM AVAILABILITY

 Once obtained, client controls how often the program is administered. An online version is also available at <u>www.dpasnow.com</u>

ADDITIONAL TRAINING PROGRAMS

• When any area is identified that requires additional training, there are recommended low cost training programs available for purchase.

Contact 407-897-4443 for further information

DPAS was developed, produced and validated by Dr. Jack K. Weaver, Ph.D. USC Copyrighted

FULL CLASSROOM and BEHIND THE WHEEL COURSE (30+6)

(Exceeds high school course curriculums)

PURPOSE

For individuals in pursuit of a Florida driver's license, or for licensed drivers that would like to improve their driving skills.

MAY BE COURT ORDERED

GOAL

To develop knowledge and skills needed to safely, legally, and economically operate a motor vehicle. An emphasis is placed on proper decision-making, and risk management skills. Program graduates may qualify for insurance discounts. Prepare drivers for their road test.

COURSE CONTENT

- Hands-on road driving experience in actual traffic.
- Responsible driving habits.
- Traffic laws.
- Risk recognition and crash avoidance.
- Defensive driving techniques.
- Student experiences actual residential, rural, highway, multi-lane, and intersection driving conditions.

COURSE FORMAT

- The 36-hour course includes 24 hours of classroom instruction utilizing the state of the art *RoadWise* Driver Education curriculum and 12 hours of training in a vehicle (six hours driving and six hours of observation), taught by state certified trainers.
- A wide variety of late model, state approved vehicles are available including sedans, sport utility vehicles, and pick-up trucks. All state approved vehicles are equipped with dual brake control systems and are fully insured.

COURSE AVAILABILITY

 Classes are offered regularly at different locations throughout Brevard, Orange, Osceola, Seminole and Hillsborough Counties.

REGISTRATION

- Enroll by contacting any of our locations.
- The student must have a Florida learner's license (DHSMV issued restricted driver's license) before beginning the course.

INDIVIDUAL DRIVER EDUCATION (One-on-One Behind the Wheel Instruction)

PURPOSE

For individuals of any age in pursuit of a Florida driver's license, or for licensed drivers who would like to improve their driving skills.

MAY BE COURT ORDERED if poor driving skills have led to offense(s), i.e. 3 crashes in 3 years (3-in-3) See page 13.

GOAL

- To develop knowledge and skills needed to safely, legally, and economically operate a motor vehicle. An emphasis is placed on proper decision-making, and risk management skills.
- Program graduates may qualify for insurance discounts.
- Prepare drivers for FL Driver's License exam.

COURSE CONTENT

- Hands-on road driving experience in actual traffic.
- Responsible driving habits.
- Traffic laws.
- Risk recognition and crash avoidance.
- Defensive driving techniques.
- Student experiences actual residential, rural, highway, multi-lane, and intersection driving conditions.

COURSE FORMAT

- Composed of individual instruction tailored to the needs of the new driver.
- Sessions are two-hours in length and taught by state certified instructors.
- A wide variety of late model state approved vehicles are available including sedans, sport utility vehicles, and pick-up trucks. All state approved vehicles are equipped with dual brake control systems and are fully insured.

COURSE AVAILABILITY

 Classes are offered daily at different locations throughout Brevard, Orange, Osceola, Polk, Seminole and Hillsborough Counties.

REGISTRATION

- Enroll by contacting any of our locations.
- The student must have a Florida learner's license (DHSMV issued restricted driver's license) before beginning the course.

DRIVING UNDER 25

(4-Hour)

Defensive Driving Course for Drivers 15-25 years of age

PURPOSE Driving Under 25 has been developed for drivers under the age of 25.

COURT ORDERED.

GOAL To promote safe and responsible driving habits along with teaching defensive driving techniques for students under the age of 25.

COURSE CONTENT

- Identifying Problem Areas: Discussion of choice, value, attitude, behavior, and consequences.
- Consequences: Video case study discussion of mistakes and how they could have been avoided.
- DUI Information for Drivers Under 25.
- Responsible Driving: Avoiding past, high risk driving behaviors., including Distracted Driving.
- Dealing with peer pressure.

COURSE FORMAT

- Four (4) hour class conducted by a certified trainer.
- An interactive format including lecture, videos, and student interaction in group discussions.
- Provides easy to read material for students, in a take-home workbook.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

Classes are scheduled regularly in Orange, Osceola and Seminole Counties.

REGISTRATION:

- Students are asked to provide a copy of the court order or citation in order to make sure the correct information is being listed and the proper agencies are notified of attendance.
- Enroll by contacting any of our locations or visiting our website at www.floridasafety.org

DWLS/R Driving While License Suspended/Revoked

PURPOSE

To provide individuals arrested for driving with suspended or revoked licenses a step-by-step guide to restoring their driving privileges; including obtaining a hardship license. This course includes activities that enable the offender to review their attitudes, behaviors, and goals and the positive changes they must make to retain their driver's license. **COURT ORDERED**

GOAL

Provide individuals with the knowledge to resolve their driving record problems. Create a more positive driver by changing attitudes and behaviors.

COURSE CONTENT

- An explanation of the DWLS/R laws, related laws, and penalties.
- Examine and explore barriers to positive change.
- Step-by-step guidelines on resolving the individual student's driving record problems.
- Review of procedures and sample forms needed to restore driving privileges.
- Self-improvement covering stress management, goal setting, and self-motivation.
- By the conclusion of the program, each student will develop their own set of goals to change their driving behavior, and develop a "contract" to support lasting behavior change.
- Each student learns how to reinstate and keep their license.
- Remedies for suspension/revocation.
- Alternatives to driving illegally.
- Discuss causes of suspension/revocation.

COURSE FORMAT

- Eight (8) hour course with a student workbook.
- Small class size to maximize group interaction and provide personalized attention.

REGISTRATION

- Students are asked to provide a copy of the court order, or citation in order to to make sure the correct information is being listed and the proper agencies are notified of attendance.
- Enroll by contacting any of our locations or visiting our website at www.floridasafety.org

LEARNERS PERMIT TESTING

PURPOSE:

For individuals of any age interested in completing the road rules and road signs tests that are required to obtain a Florida learner permit.

GOAL:

To provide a quiet, convenient and secure location for the students to complete the two required tests, and to upload the scores to the state DHSMV &Tax collector offices.

TEST FORMAT

- Available in an electronic computer format at our testing center.
- Available in a printed format.
- Tests are available in English, Spanish, and Creole.
- Students are allowed to bring a translator if needed.

TEST AVAILABILITY

- The tests are available Monday through Friday from 8 a.m. -5 p.m., and on Saturday 8 a.m.-12 p.m. at our testing center located at 1505 E. Colonial Drive Orlando, FL 32803.
- No appointment is necessary as walk-ins are welcome with no waiting.

REGISTRATION

- Enroll and take the tests at our testing center at 1505 E. Colonial Drive in Orlando.
- Minors who have not yet reached the age of 18 must bring a Parent/ Guardian with them to sign the required consent form. No minor ID is required.
- Test takers who are married, or have reached the age of 18, do not need a Parent or Guardian present, but must present the required ID before taking the tests. The ID requirements can be found at www.GatherGoGet.com.

MDP Mature Driver Program – 6-hour

(COACHING THE MATURE DRIVER)
State of Florida Approved for Insurance Discounts

PURPOSE

- Designed for drivers age 55 and older to review the effects of aging on driving and how to compensate for the physical and mental changes to promote safer driving.
- Approved by the State of Florida for a mandatory 3-year Insurance Discount under F.S. 627.0652.

MAY BE COURT ORDERED as a defensive driving course for older drivers.

GOAL

- To help aging drivers maintain their safe and defensive driving skills, to understand their abilities and learn techniques to compensate for changes.
- To provide defensive driving training for court ordered seniors.

COURSE CONTENT

- Physical effects of aging.
- Adjusting to certain driving habits.
- Backing and parking.
- Traffic law updates.
- Multiple-lane driving.
- Pedestrians.
- Road sign recognition.
- Urban, rural, and highway driving.
- Vehicle technology.

COURSE FORMAT

- A safety based curriculum, updated 2010, taught by a certified trainer.
- Six hour course that is taught in either one six hour session (with a lunch break) or over two days with three (3) hour sessions.
- An interactive multi-media presentation with a student workbook.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

- Classes are offered regularly at different locations throughout Brevard, and Orange Counties.
- The 6 hour Class is also available on the INTERNET.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.floridasafety.org

TRAFFIC COLLISION AVOIDANCE COURSE

TCAC (4-hour)
Also Available on the Internet
State of Florida Approved

PURPOSE

For drivers who are referred by the DHSMV because they have been involved, and found at fault:

- In two traffic crashes within a two year period.
- In property damage crashes of over \$500 for which they were at fault.
- In crashes involving injuries for which they were at fault.

Approved by the State of Florida.

MAY BE COURT ORDERED

GOAL

Teach defensive driving techniques, behaviors and attitudes to individuals responsible for causing traffic crashes involving property damage and/or injuries.

COURSE CONTENT

- Dangers and costs of speeding and driving behaviors, including Distracted Driving.
- Effects of alcohol and drugs.
- Importance of safety belts and restraint systems.
- Proper driving techniques.
- Review of traffic laws.
- A certificate is issued upon completion of the course.

COURSE FORMAT

- Four (4) hour class conducted by a certified trainer.
- An interactive format including lecture, videos, and student interaction in class discussions.

CLASS AVAILABILITY

Classes are available seven days a week.

REGISTRATION

- Enroll by contacting any of our locations or registering online at www.trafficclassonline.com
- Students are asked to provide a copy of the DHSMV referral form, or citation in order to make sure the correct information is being listed and the proper agencies are notified of attendance.

FIRST TIME DRIVER (4-HOUR) <u>Traffic Law & Substance Abuse Education</u> (TLSAE)

PURPOSE

Required by the Division of Motorist Services of the DHSMV for all first time Florida driver's license applicants under Florida Statute 322.095.

Approved by the State of Florida.

GOAL

To teach the effects of drugs and alcohol on driving and related traffic laws.

COURSE CONTENT

- Physiological and psychological consequences of alcohol and other substances of abuse.
- Societal and economic costs of alcohol and other substances of abuse.
- Effects of alcohol and other substances of abuse on a driver.
- Review of Florida traffic laws relating to the operation of a motor vehicle.

COURSE AVAILABILITY

- Classes available in English and Spanish.
- TLSAE is a 4 hour course available on the Internet
- A certificate is issued upon completion of the course, with electronic notification to DHSMV.

REGISTRATION

Enroll online at www.floridasafety.org

A FREE Practice Driving Quiz for the Florida Learner's License at www.FLPDQ.org

DUI AND ALCOHOL RELATED PROGRAMS

- Meets and exceeds the state of Florida certification requirements for DUI Program operation and staffing (Administrative Rules 15A-10).
- Serving the Ninth and Eighteenth Judicial Circuits as a DUI Program Provider since 1973.
- The educational component is taught by Certified Level I and Level II DUI Instructors, who meet Florida Department of Highway Safety and Motor Vehicles requirements.
- The evaluation component is conducted by Certified Evaluators, who meet Florida Department of Highway Safety and Motor Vehicles requirements.
- Certificates of DUI Program completion are presented to each client upon successful completion of both the education component and the evaluation component of the DUI Course.
- The DUI Program reports all successful and unsuccessful completions of course components and substance abuse treatment (if referred) to the Department of Highway Safety and Motor Vehicles per F.S. 322.291. Reports are given to Probation and the Courts upon request, provided the FSC is in possession of valid releases of information.

DUI LEVEL I – FIRST OFFENDER (12-hour)

Pre-Registration Also Available on the Internet State of Florida Approved

PURPOSE

State of Florida certified program designed for individuals who have been arrested for only one DUI or one qualifying offense, who have never previously taken a Level I Course.

Mandated, per FS 316.192(5) and 316.193(5) with level of education determined based upon the number of lifetime DUI/Reckless Driving offenses and suspensions, per DHSMV Administrative Rule 15A-10.025(2).

<u>MAY BE COURT ORDERED</u> for other offenses, i.e. open container, boating under the influence. **May be DHSMV required for:** out of state convictions; Minor with .02 citation; Chapter 893 Suspensions; or to obtain "Hardship or Business Purposes Only" permits during an Administrative Suspension.

GOAL

To educate and identify those who may be harmfully involved with alcohol and other impairing substances with emphasis on the effects of alcohol and other impairing substances on driving skills and the body.

DUI EVALUATION

All clients undergo a one (1) hour psychosocial evaluation interview conducted by a State of Florida Certified DUI Evaluator.

COURSE CONTENT

- Effects of alcohol and drugs on a driver's ability to operate a motor vehicle.
- Review of Florida traffic laws relating to DUI.
- Review of DUI process through the court system and DHSMV.
- Identify alternatives to future drinking and driving situations.
- Learn about drug and alcohol treatment and sober support systems available in the community.

COURSE FORMAT

- Twelve (12) hour educational course utilizing approved curriculum developed by the State of Florida.
- Course is taught by a State of Florida Certified DUI Level I Instructor.
- Teaching tools include lectures, class discussion, handouts, and videos.

COURSE AVAILABILITY

- Classes are available in English and Spanish.
- Classes are available: days, evenings and weekends.
- Classes are located in Brevard, Orange, Osceola, and Seminole Counties.

REGISTRATION REQUIREMENTS

- Court order if they have been convicted / Pre-trial diversion contract if applicable.
- Complete Arrest Affidavit or Traffic Crash Report (legible copies).

DUI

DUI LEVEL I – FIRST OFFENDER (12-hour) – CONT'D

Pre-Registration Also Available on the Internet State of Florida Approved

- DUI Citation(s) (legible copies).
- Breath/Blood Alcohol Level reading (BAL).
- Driver's License Number.
- Photo Identification (preferably a government issued identification card, student ID, booking photo or passport.)
- Proof of residency, employment or school attendance.
- Clients may register prior to conviction.
- Registration normally takes between 1 to 2 hours.

Enroll by contacting any of our locations in Orange, Osceola, Seminole or Brevard.

TIMEFRAME

DUI Program attendance at both classes and evaluation must be completed within 90 days of enrollment under Florida Statute 322.291.

*Florida DUI Program registration fees, rescheduling fees, and curriculum are established by the *Department of Highway Safety and Motor Vehicles*, Administrative Rules 15A-10, and are subject to change without notice.

DUI LEVEL II – MULTI-OFFENDER (21-hour)

Pre-Registration Also Available on the Internet State of Florida Approved

PURPOSE

State of Florida certified program, <u>designed for individuals with more than one DUI arrest and/or qualifying offense</u>; and those who have previously attended a DUI school. May be required by DHSMV for reinstatement after Administrative Suspension.

Mandated, per FS 316.192(5) and 316.193(5) with level of education determined based upon the number of lifetime DUI/Qualifying offenses and suspensions per DHSMV Administrative Rule 15A-10.025(2). MAY BE COURT ORDERED for other offenses, i.e. open container, boating under the influence.

<u>May be DHSMV</u> required for out of state convictions; Minor with a second .02 citation; Chapter 893 Suspensions; or to obtain "Hardship or Business Purposes Only" permits during an Administrative Suspension.

GOAL

To educate and identify those who may be harmfully involved with alcohol and other drugs, with emphasis on the effects of alcohol and other impairing substances on driving skills and the body.

DUI EVALUATION

All clients participate in a DUI evaluation interview conducted by a State of Florida Certified DUI Evaluator.

COURSE CONTENT

- Effects of DUI.
- Law and attitudes pertaining to DUI.
- Psychological and physiological effects of alcohol and drugs.
- Impact DUI has on the offender's life, family and community.
- Alternative behaviors and attitudes towards drinking and driving.

COURSE FORMAT

- Twenty-one (21) hour educational course utilizing approved curriculum developed by the State of Florida.
- Limited to an average of 15 clients by DHSMV Administrative Rules.
- Highly interactive course taught by State of Florida Certified DUI Instructors.
- Teaching tools include lectures, class discussion, handouts, and videos.

COURSE AVAILABILITY

- Classes are available days, evenings and weekends.
- Classes are held in Brevard, Orange, Osceola, and Seminole Counties.

DUI LEVEL II - MULTI-OFFENDER (21-hour) - CONT'D

Pre-Registration Also Available on the Internet State of Florida Approved

REGISTRATION REQUIREMENTS

- Court order if they have been convicted or Pre-trial diversion contract, if applicable.
- Complete Arrest Affidavit or Traffic Crash Report (legible copies).
- DUI Citation(s) (legible copies).
- Breath/Blood Alcohol Level reading (BAL).
- Driver's License Number, Photo Identification (preferably a government issued identification card, student ID, booking photo or passport)
- Proof of residency, employment or school attendance.
- Clients may register prior to conviction.
- Registration normally takes between 1 to 2 hours.

Enroll by contacting any of our locations in Orange, Osceola, Seminole or Brevard.

TIMEFRAME

DUI Program classes and evaluation must be completed within 90 days of enrollment date under Florida Statute 322.291.

Florida DUI Program registration fees, rescheduling fees, and curriculum are established by the *Department of Highway* Safety and Motor Vehicles, Administrative Rules 15A-10, and are subject to change without notice.

IGNITION INTERLOCK DEVICE

State of Florida Approved

PURPOSE

To make sure uniformity and consistency of the implementation of the Ignition Interlock program throughout Orange, Osceola, Brevard, and Seminole Counties in accordance with F.A.C. 15A-9.

MAY BE COURT ORDERED

GOAL

Upon referral from DHSMV, the *Florida Safety Council* will discuss issues related to *Ignition Interlock Device* (IID) violations with the offender in order to prevent future violations.

- For First time referrals, the client must report one time. The Client will meet with an evaluator to discuss basic education of interlock device, types of violations and remedies.
- For second time referrals, the client must meet monthly with an evaluator to discuss IID results and an ongoing plan to prevent IID violations for the remainder of their IID requirement.
- For third time referrals, In addition to monthly appointments, HSMV requires completion of substances abuse classes at an approved agency, FSC coordinates, track and reports compliance to HSMV.

OBJECTIVES

- Ignition Interlock devices, when embedded in a comprehensive monitoring and service program, lead to a 40-95% reduction in the rate of DUI offenses of convicted DUI offenders.
- Reducing the DUI rate is an important factor in public safety, as continued involvement with alcohol when ordered to install an IID in the vehicle is a strong predictor of future DUI involvement.

CLIENT INTERACTION

- Upon violations, as defined in Section 15A-9.010, the convicted person must contact the DUI Program Provider (FSC) within twenty (20) days from the date of the DHSMV referral letter to schedule an appointment.
- The DUI Program Provider (FSC) shall notify the DHSMV immediately when the convicted person contacts the DUI program, and schedules an appointment.
- The DUI Program Provider (FSC) shall meet with the convicted person, and complete the Ignition Interlock Device Interview Report, HSMV Form 77036 to document the face-to-face interview.
- Subsequent appointments will be scheduled for IID violations as identified by IID vendor and HSMV while driving pursuant to F.S. 322.2715

REGISTRATION Appointments are scheduled by enrolling at any of our Brevard, Orange, Osceola, or Seminole County locations with a copy of the DHSMV issued letter or referral paperwork to make sure correct information is being listed.

DUI SPECIAL SUPERVISION SERVICES (SSS)

Voluntary Restricted License Program Under FS 322.271 & 322.292 State of Florida Approved

PURPOSE

A voluntary program for individuals with 5 year, 10 year and permanent driver's license revocations who apply for Special Supervision Services to demonstrate eligibility for "Business Purpose Only" or "Employment Purposes Only" licenses. Required by DHSMV for restricted licenses, if the individual is to legally drive during the court or DHSMV established revocation periods. Approved by the State of Florida.

GOAL

To help to make sure the individual with the revoked license, will comply with Florida laws [FS 322.271] in order to be granted the privilege of a restricted license.

PROGRAM CONTENT

- Includes extensive records collection medical, treatment, prescriptions.
- A two (2) hour psychosocial evaluation with a State Certified SSS Evaluator.
- Initial monthly follow-up interviews with a State Certified SSS Evaluator.
- Alcohol and drug tests conducted randomly.
- Referral to additional treatment services to prevent relapse, if required.
- Case Monitoring Services as applicable.

APPLICATION

FIVE (5) YEAR REVOCATION

- Must wait one year of the five-year revocation before application.
- No operation of a motor vehicle, and no substance-related or driving arrests during this one year period.
- Must have completed a Level II DUI program since the last DUI arrest.
- Must be enrolled or have completed any recommended treatment required by the DUI Program.
- Must have one year abstinence from alcohol and other drugs prior to beginning SSS.
- Produce a valid photo ID.
- Have a recent revocation/conviction review report from the DHSMV Division of Driver Licenses.
- Must complete a Statutory Eligibility Review Hearing at the DHSMV Division of Driver Licenses and present DHSMV results letter at application.

TEN (10) YEAR REVOCATION

- Must wait two years of the ten-year revocation before application. No operation of a motor vehicle, and no substance-related or driving arrests during at least the one year period prior to application.
- Must have completed a Level II DUI program since the last DUI arrest.

DUI SPECIAL SUPERVISION SERVICES (CONT'D) (SSS)

Voluntary Restricted License Program Under FS 322.271 & 322.292

State of Florida Approved

- Must have completed any recommended treatment required by the DUI Program.
- Must have one year abstinence from alcohol and other drugs prior to beginning SSS.
- Produce a valid photo ID.
- Have a recent revocation/conviction review report from the DHSMV Division of Driver Licenses.
- Must complete a Statutory Eligibility Review Hearing at the DHSMV Division of Driver Licenses and present DHSMV results letter at application.

PERMANENT REVOCATION – LIFETIME

Those with permanent revocations for four (4) or more DUI's or 1st DUI with manslaughter The eligibility waiting period is five-years with no alcohol use, no driving during the 5 year period, and no substance related arrests during the five-year period. The five-year waiting period begins after incarceration ends.

PERMANENT REVOCATION – 4 DUI CONVICTIONS

There is an opportunity for persons with 4 or more DUI convictions, whose driver license is permanently revoked, to secure a restricted license.

APPLICATION

- Has served 5 years of the revocation period;
- Has not been arrested for a drug-related offense for at least 5 years prior to filing the petition;
- Has not driven a motor vehicle without a license for at least 5 years prior to the hearing;
- Has been drug-free for at least 5 years prior to the hearing; and
- Has completed a DUI program licensed by the Department.

At the hearing, the department shall determine the applicant's qualification, fitness, and need to drive. The reinstatement shall be subject to the following qualifications:

- 1. The applicant's license must be restricted for employment purposes;
- 2. The applicant must be accepted by a DUI *Special Supervision Services* (SSS) program licensed by the department. The process to gain acceptance into that SSS program is:
- Applicant completes a psychometric exam to identify risk factors;
- Certified program staff (staff) analyze driver record;
- Staff analyze FDLE record;
- Staff review Letters of Abstinence from employers, neighbors, family;
- Applicant completes chemical testing;
- Staff review medical records, previous DUI program records, prior treatment records and chemical test results;

DUI SPECIAL SUPERVISION SERVICES (CONT'D) (SSS)

Voluntary Restricted License Program Under FS 322.271 & 322.292 State of Florida Approved

- Staff gather any additional information indicated;
- Evaluator meets with applicant face to face conducting a bio-psychosocial evaluation reviewing historical and current information related to their family, physical health, mental health, treatment for physical or mental problems, employment, education, and use of substances.

All of the above information is analyzed and presented to a staffing committee at the DUI program. A decision is then made that the client is a good or bad risk to re-license.

REGISTRATION

The Supervision applicant must have all HSMV issued eligibility letter, HSMV issued ID and any documentation required by the SSS Coordinator.

REVIEW & APPROVAL

- Clinical staffing committee reviews completed SSS applications and renders one of three (3) possible outcomes; 1) Favorable recommendation, 2)unfavorable recommendations or 3) Case monitoring.
- A recommendation is made to the Department of Highway Safety & Motor Vehicles Bureau of Administrative Reviews. Ignition Interlock is required under for multiple offenders under Florida Statutes: 316.193 (4c); 316.1937, and 316.1938.
- If the DHSMV also recommends approval, the applicant becomes a SSS client for the remainder of the revocation period, and must comply with all SSS Program requirements. These requirements include regularly scheduled follow-up appointments with FSC; required support group attendance; random, unannounced drug/alcohol tests; and twice a year arrest and driving record reviews.

If the client is determined to be a good risk, the *Department of Highway Safety and Motor Vehicles* makes the final determination to license or not. If the person is re-licensed, they must adhere to the following requirements at the DUI program:

- 1. Install an Ignition Interlock Device (IID) on the vehicle to be used for a minimum of five years, meeting all requirements of that program;
- 2. Maintain abstinence from alcohol and other drugs;
- 3. Meet with an evaluator at the DUI program monthly for supervision;
- 4. Participate in any required treatment;
- 5. Participate in support groups such as Alcoholics Anonymous meetings;
- 6. Complete random chemical testing;
- 7. Have no issues with their criminal or driver record.

If the petitioner does not comply with the required supervision noted above, the program will report the failure to the *Department*, and the *Department* will cancel the person's driving privilege.

For more information, please call 407-896-1894

YOUTH PROGRAMS

- The Florida Safety Council offers educational programs designed for youth in the areas of prevention and awareness in an effort to provide safety education to the community.
- If the Court views a program as an appropriate method of reducing the risks of future legal system involvement for the same or similar offenses, or even more serious offenses by an individual, then the program may be Court Ordered or made a condition of probation or a diversion program.

DRIVING UNDER 25 – 4 Hours

Defensive Driving Course for Drivers 15-25 years of age

PURPOSE

Driving Under 25 has been developed for drivers under the age of 25.

COURT ORDERED

GOAL

To promote safe and responsible driving habits along with teaching defensive driving techniques for students under the age of 25.

COURSE CONTENT

- Identifying Problem Areas: Discussion of choice, value, attitude, behavior, and consequences.
- Consequences: Video case study discussion of mistakes and how they could have been avoided.
- DUI Information for Drivers Under 25.
- Responsible Driving: Avoiding past, high risk driving behaviors.
- Dealing with peer pressure.

COURSE FORMAT

- Four (4) hour class conducted by a USC certified trainer.
- An interactive format including lecture, videos, and student interaction in group discussions.
- Provides easy to read material for students, in a take-home workbook.
- A certificate is issued upon completion of the course.

CLASS AVAILABILITY

Classes are scheduled regularly in Orange, Osceola and Seminole Counties.

REGISTRATION

- Enroll by contacting any of our locations or visiting our website at www.floridasafety.org
- Students are asked to provide a copy of the court order or citation in order to insure the correct information is being listed and the proper agencies are notified of attendance.

FIRST TIME DRIVER (4-HOUR) <u>Traffic Law & Substance Abuse Education</u> (TLSAE)

PURPOSE

Required by the Division of Motorist Services of the DHSMV for all first time Florida driver's license applicants under Florida Statute 322.095.

Approved by the State of Florida.

GOAL

To teach the effects of drugs and alcohol on driving and related traffic laws.

COURSE CONTENT

- Physiological and psychological consequences of alcohol and other substances of abuse.
- Societal and economic costs of alcohol and other substances of abuse.
- Effects of alcohol and other substances of abuse on a driver.
- Review of Florida traffic laws relating to the operation of a motor vehicle.

COURSE AVAILABILITY

- Classes available in English and Spanish.
- TLSAE is a 4 hour course available on the Internet
- A certificate is issued upon completion of the course, with electronic notification to DHSMV.

REGISTRATION

Enroll online at www.floridasafety.org

JUVENILE ANGER MANAGEMENT

(4-hour)

PURPOSE

- Designed to help offenders, age 13 to 17, and examine their behavior, attitude and actions.
- Helps to instill discipline in the individual offender by presenting behavioral alternatives to anger and anger control techniques.
- Serves as an alternative, which can be used by Judges of the Court, in lieu of jail and/or prison time.
- Aids Juvenile Probation by serving as a probationary sanction or diversion program.

COURT ORDERED

Note: This course may also be taken voluntarily, or with parental referral.

GOAL

The goal of the program is to decrease recidivism of first time offenders as well as educate, equip, and inform offenders of alternative ways of coping with anger and of expressing anger in an appropriate manner.

COURSE CONTENT

- Define and recognize anger.
- Psychological, emotional, and biological response to anger.
- Assess personal anger triggers and understand behaviors that contribute to anger.
- Control anger and develop alternative behaviors.
- Develop anger management methods and techniques, planned responses and assertive communication skills in managing anger.
- Utilize the six-step, problem-solving technique to influence positive decision-making, attitude, and function.
- Analyze students thinking and discuss bullying.

COURSE FORMAT

- Four (4) hour course.
- Small class size to maximize student participation and personalized attention.
- Uses workshops that focus on specific, anger-related topics such as recognizing anger, controlling anger, problem solving and bullying.
- Anger control log.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.

JUVENILE IMPULSE CONTROL / SHOPLIFTING

(4-hour)

[Adult Class Description on Page 7]

PURPOSE

This course is designed to help offenders, age 13-17, and examine their behavior, attitude and actions.

Open to juveniles from other referral sources in the community. Students will learn how to identify the steps necessary to make a positive change in their lives.

COURT ORDERED

Business referrals, youth agency referrals, and parental referrals are also encouraged.

GOAL

To reduce the reoccurrence of theft and its impact on the individual, the family, the business and community.

COURSE CONTENT

- Cause, effect and consequences of committing theft.
- Impulse control and alternative behavior.
- Taking control and being accountable and responsible for one's own attitudes and behaviors.
- Identifying and distinguishing between wants and needs.
- Setting effective goals and establishing priorities.
- Defining and clarifying personal values.
- Assertiveness, self-motivation and trust building exercises.
- Identifying and defining positive behavior and attitude for a crime-free life.
- Identifying positive role models and friends.
- Discuss peer pressure and utilize methods and techniques in resisting peer pressure.

COURSE FORMAT

- Four (4) hour course.
- Uses integrity therapy and behavior modification to explore conduct and the consequences of negative decisions and actions.
- Small class size to encourage individual participation.

REGISTRATION

Enroll by contacting any of our locations or visiting our website at www.FloridaSafety.org.

JOLT

<u>Juvenile Offender Life Training</u> (4-hour)

PURPOSE

This course is designed as an early intervention and diversion program for youthful offenders. It will assist offenders in examining their behavior, attitude and actions by instilling discipline and offering behavioral alternatives. The Juvenile Offender Life Training Course serves as an alternative, which can be used by the Judges of the Court in lieu of jail and/or prison time, and aid Juvenile Probation by serving as a probationary sanction or diversion program. MAY ALSO BE TAKEN VOLUNTARILY

GOAL

- The goal of this program is to decrease the recidivism rate of first time offenders as well as to educate, equip, and inform offenders of alternative ways of coping with negative behavior.
- Reduce incidents of underage possession of alcohol and tobacco, as well as possession of drugs.
- Provide alternative behaviors to be used in place of anger, the utilization of anger control techniques, and to express anger in an appropriate manner.
- Curtail negative behavior as it relates to vandalism and destruction of property.
- Motivate students to achieve lifetime awards for positive behavior.

COURSE CONTENT

- Identify how media pressure and peer pressure influence decisions.
- Define binge drinking and the risks associated with it.
- Effects of alcohol usage/drugs on the body; laws regarding drinking, possession of alcohol/tobacco by a minor. (Zero Tolerance Law, chapter 893, DUI Laws)
- Define and recognize anger; discuss the psychological, emotional and biological response to anger.
- Control anger and the development of alternative behaviors.
- The development of anger management methods and techniques, planned responses and assertive communication skills in managing anger.
- Utilization of the six-step problem-solving technique to influence positive decision-making, attitude, and function.
- Effects and consequences of domestic violence arising from anger.
- Discussion of bullying and cyber bullying.
- Choices and consequences of negative behavior.
- Setting priorities and goals.
- Consequences of the act of vandalism, destruction of property, and other forms of criminal mischief.

COURSE FORMAT

- Four (4) hour course.
- Small class size to maximize student participation and personalized attention.
- Interactive format including videos, class participation, group activities, and workbook exercises.
- Anger control logging.

REGISTRATION Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.

LEARNERS PERMIT TESTING

PURPOSE

For individuals of any age interested in completing the road rules and road signs tests that are required to obtain a Florida learner permit.

GOAL:

To provide a quiet, convenient and secure location for the students to complete the two required tests, and to upload the scores to the state DHSMV &Tax collector offices.

TEST FORMAT

- Available in an electronic computer format at our testing center.
- Available in a printed format.
- Tests are available in English, Spanish, and Creole.
- Students are allowed to bring a translator if needed.

TEST AVAILABILITY

- The tests are available Monday through Friday from 8 a.m. -5 p.m., and on Saturday 8 a.m.-12 p.m. at our testing center located at 1505 E. Colonial Drive Orlando, FL 32803.
- No appointment is necessary as walk-ins are welcome with no waiting.

REGISTRATION

- Enroll and take the tests at our testing center at 1505 E. Colonial Drive in Orlando.
- Minors who have not yet reached the age of 18 must bring a Parent/ Guardian with them to sign the required consent form. No minor ID is required.
- Test takers who are married, or have reached the age of 18, do not need a Parent or Guardian present, but must present the required ID before taking the tests. The ID requirements can be found at www.GatherGoGet.com.

DRIVERS LICENSE ROAD TESTING

PURPOSE

For individuals of any age interested in completing their Class E Driving Skills test in order to obtain a Class E Drivers License.

GOAL

To provide the Class E Driving Skills Test on a state approved, pre-determined route in a private and more convenient manner and to upload the score to the state DHSMV.

PREPARATION

Teens applying for their full (Class E) operator's license will be required to:

- Hold learner's license for 12 months (If under 18 years of age).
- Not incur any traffic convictions.
- Be certified by parent or guardian to have at least 50 hours of behind-the-wheel training, at least 10 of which must be at night.
- Photo ID Valid passport, Alien registration card (green card), school ID.
- Secondary ID SS card or know the number, State ID number, Green card number or I-94 number.
- Must bring a Parent or Guardian with them to sign the required consent form (If a minor).

Adults applying for their full (Class E) operator's license will be required to:

- Currently hold a valid learner's license or international license.
- Must provide a vehicle for the driving test. The vehicle must have a valid tag, proof of insurance, and pass a vehicle inspection. If the adult does not have a vehicle in which they may test, they may utilize a Safety Council vehicle at an extra charge.
- Photo ID Valid passport, Alien registration card (green card), school ID.
- Secondary ID SS Card or know the number, State ID number, Green card number or I-94 number.
- Test Takers who are married, or have reached the age of 18, do not need a parent or guardian present, but must present the required ID before taking the test. The I.D. requirements may be found at www.GatherGoGet.com.

TEST AVAILABILITY

Appointments are encouraged and may be made by calling us at 1-800-372-3335.

REGISTRATION

Appointments are encouraged and may be made by calling us at 1-800-372-3335.

SPECIALTY PROGRAMS

- In addition to Driver Improvement, DUI, and Youth Programs, the Florida Safety Council offers courses designed to prevent repeat offenses through education.
- These programs may be Court Ordered or made a condition of probation, if the Court views the program as an appropriate method of reducing the risks of future legal system involvement.

CHILD RESTRAINT (3 Hours) Child Restraint Occupancy Protection Course CROP

PURPOSE

For individuals with a traffic violation for failure to use child restraints – the course offers the offenders an alternative to paying the entire citation fee and receiving 3 points on the driver license.

COURT ORDERED

Voluntary attendance is also encouraged for new parents and grandparents.

GOAL

To help drivers understand the importance of properly restraining young children while they are being transported, and to create an awareness of how to properly utilize the safety equipment in a vehicle as responsible adults.

COURSE CONTENT

- Crash Dynamics How seatbelts help occupants "ride down" a crash.
- Dispelling the myths and excuses about use and avoidance of seatbelts.
- Air Bags how they work and how to ride in airbag equipped vehicles.
- Car safety seats for children used versus new.
- Types of car seats and when to use each type.
- How to properly inspect and install car safety seats.
- Understanding Florida's child restraint law.
- Determine if car seats brought in by students are proper for their child, free of defects and safe to use.

COURSE FORMAT

- Three (3) hour class conducted by nationally certified child passenger safety instructors.
- An interactive format including lecture, videos, and student interaction/hands-on learning.
- Students are to bring in car seats for inspection. [Car seats may be available at no or low cost for qualified students if grant funding available.]

CLASS AVAILABILITY

Classes are offered at our Orlando, Kissimmee and Tampa offices.

REGISTRATION

- Enroll by contacting any of our locations or visiting our website at www.floridasafety.org.
- Students are asked to provide a copy of the court order, or citation in order to insure the correct information is being listed and the proper agencies are notified of attendance.

OCCUPATIONAL SAFETY TRAINING PROGRAMS

The United Safety Council offers a variety of Occupational Safety Classes at all of our locations along with "on-site" training at the member/client selected location. In addition, Internet classes covering over fifty safety topics are also available by visiting our website. Through our partnership with the Volunteer State College, an OSHA Training Institute and other providers, we offer nationally recognized certified safety programs at affordable prices.

USC also offers the Certified Occupational Safety Specialist (COSS) program for those interested in having a better understanding of their responsibilities as a safety practitioner.

Following is a partial list of programs that we currently offer in the field of Occupational Safety:

- Confined Space Entry Awareness
- Certified Occupational Safety Specialist (COSS)
- DOT Drug & Alcohol Training for Drivers
- DOT Drug & Alcohol Training for Supervisors
- DOT Hazardous Materials for Drivers
- DOT Hazardous Materials for Supervisors
- Fall Protection Awareness
- Fire Safety
- Heat Stress
- Hazardous Communication
- Lockout/Tagout Electrical Safety
- Maintenance of Traffic, and Advanced MOT
- Personal Protective Equipment
- Powered Industrial Truck/Forklift with Skills Evaluation
- Powered Industrial Truck/Forklift Refresher
- Proper Lifting Techniques
- Scaffolding Hazard Awareness
- Trench & Shore Hazard Awareness
- Essentials in Basic Emergency Care
- OSHA 500 Construction Industry Train-the-Trainer
- OSHA 501 General Industry Train-the-Trainer
- OSHA 502 Update for Construction Industry Outreach Trainers
- OSHA 503 Update for General Industry Outreach Trainers
- OSHA 510 Prerequisite to OSHA 500
- OSHA 511 Prerequisite to OSHA 501
- OSHA Outreach Program for the Construction Industry (10 Hour/30 Hour)
- OSHA Outreach Program for the General Industry (10 Hour/ 30 Hour)

Review our offerings and register at: www.occsafety.com or call 407-897-4456.

CLOSING

We hope that you find this 2017 Edition of the Florida/United Safety Council's Program & Services Handbook useful. We strongly believe that the courses offered in this Handbook can make a difference by saving lives and altering behavior in a positive manner. Therefore it is important that we deliver our safety training and behavior management training programs to as many people as possible. To that end, each year new programs, course delivery methods, and additional languages are added to our ever growing list of courses in order to accommodate as many students as possible. Because of this we encourage you to carefully look through this informative Handbook and note the changes made and new programs added over the past several years. I encourage you to contact my office directly should you have any questions, comments or suggestions.

For your convenience, a *Violation/Course Quick Reference Guide* in on the back cover that shows when a program might be called for based on the most common court orders. We hope this tool will assist you in the performance of your duties.

In 2017 we are celebrating our 64th year of service to the Central Florida community. From a very humble beginning to becoming one of the largest safety training agencies in the Nation, we are very proud of our achievements, and the fact that over 70,000 students graduate from our courses each year from places as far away as Europe, Africa, Asia and the Middle East. We realize the main reason for this growth is the support and endorsement of our organization received from the Central Florida community over the years. We are proud to be of service and know we have made a difference. With your help and support we look forward to "preparing everyone for a safer tomorrow" for many years to come.

Christopher A. Earl Executive Director, United/Florida Safety Council
